How to use this pack

This pack is written specifically for coaches & consultants — not repurposed generic content. Everything inside is ready to copy, paste, and post as-is, or use as a starting point and adjust to your own voice.

- Follow the calendar in order, or pull individual days to fill gaps in your own schedule.
- Platform suggestions are a starting point — repost any idea to whichever platform fits your audience.
- Swap in your own client stories and offers where noted.
